Subject: Notification of Production Reduction in the Extrusion System and Organizational Restructuring

To: Investors and Stakeholders

Thai Poly Acrylic Public Company Limited would like to inform that, according to the resolution of the Board of Directors' Meeting No. 3/2025 held on June 18, 2025, and with the aim of ensuring long-term business sustainability, the company has resolved to reduce production activities in the Extrusion system. This strategic move is intended to place greater focus on the core business in the Casting product segment.

This decision has been made with a strong commitment to transparency and fairness, ensuring the company can operate sustainably while minimizing the impact on employees. The reduction in production capacity for the Extrusion system will take effect starting from July 2025.

In line with this strategic shift, the company will proceed with an organizational restructuring to align with its core mission and to ensure long-term value for all stakeholders. This decision has been carefully considered by both the Board of Directors and executive management.
